	Silky Oak
Neck:	Honduras Mahogany Australian Blackwood
Fingerboard & Bridge:	Ringed Gidgee/Plain Gidgee Ebony African Blackwood Western Australian Sheoak Mulga
Neck / Body Join:	Sturdy bolt-on type (two bolts).
Binding & Other Decorative Inlays:	Contrasting solid wood bindings are used with various designs of purfling to decorate each instrument.
	Uniquely figured timbers are used in combination with hand made purfling for the decorative rosette, end graft and backstrips.
Fingerboard:	Fingerboards are decorated with Broome Mother of Pearl discs bordered with brass rings at the twelfth fret to enhance the spectacularly figured timber.
Peghead:	A signature "D" inlaid with Broome Mother of Pearl appears on the peghead of each instrument. Gold plated Gotoh tuning machines are standard on conventional design pegheads and gold Schaller tuning machines are standard on slotted pegheads.
Finish:	Each instrument is hand finished using full gloss nitrocellulose laquer for optimum tonal quality, durability and appearance.
Nut / Saddle:	Crafted from high grade bone.
Case:	Each instrument is supplied with a high quality, plush lined, hardshell case.
Warranty:	Each instrument is covered by a lifetime warranty which covers any undue failures which result from faulty workmanship.
