Jackson Cases

With the exception of USA Select Series and Artist Signature Series guitars, all prices reflect guitars without cases. To order a guitar with a case, simply change the 8th digit from "5" to "7." For example, a DXMG BLK with a case would be 290-0103-703. The part number for the same guitar without a case the part number would be 290-0103-503.
