RB Guitar Sculpture

About RB Guitar Sculpture and "Roque Batty" The Master Luthier / Sculpture Artist

In case you haven't noticed, "Roque Batty" is not your average guitar maker.

"**RB**" stands for "**Roque Batty**" the **Man**, the **Musician**, and some say one of the most innovative **Luthier / Sculpture Artist's** of his time.

Roque Batty is a "forty something" year old man who comes from a country that you may be familiar with named "**Belize**" which is located in Central America.

"**RB**" specializes in combining highly detailed wood sculpturing with the expertise of a master luthier (guitar maker) to produce that unique and personalized piece that until you found "**RB**" you could only dream of.

"**RB**" raised the standard for guitar holders the day he completed the first one of what is being called by some the most unique **guitar stand** that has ever been produced. These custom guitar stands are created in the likes of and are intentionally designed to represent the musician's that own them. His guitar stands are obviously unique but the custom guitar stands are only one of the many things that will make him stand out among luthier's.

Roque Batty's advanced level of sculpturing skills in addition to the instantly obvious natural balance that is clearly evident in the artist's work are what critics are saying will help to preserve the value of any item that the artist produces.

What is it that you're looking for in a custom guitar once you decide that you deserve that one of a kind custom guitar that you've always wanted? Would you like to have a custom guitar that will capture the audience's attention?

- OR -

Is it a guitar that reflects your personal interests?

Perhaps a guitar that will represent a character or feeling for your stage presence?

Most musicians are concerned with the performance of their guitar and any of the appearance option's offered for a particular guitar are secondary.

As far as custom guitars are concerned,
 even your wildest dreams can be realized through "**RB**"

- Some people say "Roque Batty" is a modern day Michelangelo.

- Others believe that his unique combination of skills separate the artist apart from any other creative genius in history.

- Whether you're looking for a custom look or a custom feel you can be assured of a high quality hand crafted piece from "**RB**" Guitar Sculpture.

- Some guitarist's don't believe that it's possible to design a highly detailed hand sculpted guitar that will perform at the level that they

demand.

- You've finally found the answer to your custom guitar dreams. "RB" Guitar Sculpture specializes in combining highly detailed wood sculpturing with the expertise of a master luthier (guitar maker) to produce that unique and personalized instrument that until you found "RB" you could only dream of.
