

### The Sundance "F" Style Mandolin

This instrument is as close to our heart as Bluegrass music itself. We went to great lengths to assure that this Instrument has that warm wood tone, incredible volume and the big bark of a traditional Bluegrass mandolin. Using only the finest aged woods available, we feel we have achieved our goal, of having an absolutely great mandolin at a musician friendly price.

We are confident you'll be calling your friends too come see and hear you're new monster mandolin.
