The Guitars

ScoGo Guitars is very pleased to announce that all new instruments will now come standard (upon request) with the **Buzz Feiten Tuning System** at no extra charge. In addition we are authorized to retrofit any of your existing electric instruments. Please call for details or visit the Buzz Feiten Tuning System web site at www.buzzfeiten.com.

Each ScoGo Guitar is a custom handcrafted work of art. These links display some examples of completed custom-made guitars. Your guitar will be custom made for you, based on your individual specifications.

Click on any guitar image, or "View Specs" to learn more about each handmade guitar.
