

Angels
Marseilles

Bought me a box of French cigars
Bought me a black beret
Get my French from the girl next door
Teaching me night and day

Got me thinking 'bout the south of France
Vis a vis a vous
Pack my suitcase
Take a chance
Got nothing to lose

Give me the sound of a rollin' dice
Give me a whiskey
Don't think twice
Deal me the card that takes my blues away
Take me away to Marseilles

Fast train, jet plane
Money to burn
Don't ask a reason why
Drinkin' champagne
Playin' it cool
Don't even have to try

Baby - Give me the sound of a rollin' dice
Give me a whiskey
Don't think twice
Deal me the card that takes my blues away
Take me away to Marseilles

First lead

Take me away to Marseilles (on last note of solo)

Fast train, jet plane
Money to burn
Don't ask a reason why
Drinkin' champagne
Playin' it cool
Don't even have to try

I'm still thinking 'bout the south of France
Vis a vis a vous
Pack my suitcase
Take a chance
Got nothing to lose

Give me the sound of a rollin' dice
Give me a whiskey
Don't think twice
Deal me the card that takes my blues away
Take me away to Marseilles
