

Speed of Sound Coldplay

Intro:

A G G D x 2

Verse 1:

A G G D

How long before I get in, before it starts, before I begin
How long before you decide, or before I know what it feels like
Where to, where do I go, if you never try then you'll never know
And how long do I have to climb up on this side of this mountain of mine

Riff: [Repeat Intro]

A G G D x 2

Verse 2:

A G G D

Look up, I look up at night, planets are moving at the speed of light
Climb up, up in the trees, every chance that you get, is a chance you seize
How long am I gonna stand, with my head stuck under the sand
I'll start before I can stop, or before I see things the right way up

Pre-Chorus 1:

G A Bm7 Bm7

And all that noise, all that sound
And all those places that I have found

Chorus 1:

G Bm7 D/F# G
And birds go flying at the speed of sound, to show you how it all began
G Bm7 F#m G
Birds keep flying from the underground and if you could see it then you'd understand

Riff: [Repeat Intro]

A G G D x 2

Verse 3:

A G G D

Ideas that you'll never find, all the inventors could never design
All the buildings that you put up, of Japan and China were all lit up
The first sign that I couldn't read, all the light that I couldn't see
Some things you have to believe, but others are puzzles, puzzling me

Pre-Chorus 2:

G A Bm7 Bm7

And all that noise, all that sound
And all those places that I have found

Chorus 2:

G Bm7 D/F# G
And birds go flying at the speed of sound, to show you how it all began
G Bm7 F#m G
Birds keep flying from the underground and if you could see it then you'd understand
F#m G
Oh when you see it then you'll understand

Riff: [Repeat Intro]

A G G D x 2

Pre-Chorus 3:

G A Bm7 E7
All those signs, I knew what they meant, some things you can't invent
G A Bm7 E7
Some get made, and some get sent Ooh

Chorus 3:

G Bm7 D/F# G
Birds go flying at the speed of sound to show you how it all began
