

Expatriate – Crazy (D A# C whole song with G added into Chorus)

D I found a photograph that I **A#** took
Around this time last year **C**
Well all the **D** colours.. they stay true
Around your lips and **C** hair.
We had a chance to go anywhere we want
Anywhere we want anywhere we want
And we did ..all that we could till the end
.....The end is the end of

I could go crazy on you, on you, on you, on you D A# G C
I could go crazy on you, on you, on you

We had spies in the canyons
Spies all around
We had to take our love into places
Where we knew we wouldn't be found

As the electrons. they collide
They come at us from all sides
Just to give us a chance to go anywhere we want
Anywhere we want .anywhere we want

I could go crazy on you, on you, on you, on you
I could go crazy on you, on you, on you, on you

Solo

Happy just to be
A drop of red in the deep blue sea
And they could say that ...I'm lost
But I always add up when they try to plus
And the time gets tickin', tickin' away
So many things I got to do and say
Like be by your side tried and true
With all of those secrets inside of you

I could go crazy on you, on you, on you, on you
I could go crazy on you, on you, on you, on you
I could go crazy on you,
Crazy on you
I could go crazy on you,
Crazy on you

If you push me to far don't know what I'm gonna do

I could go crazy on you,
Crazy on you
I could go crazy on you,
Crazy on you

I could go crazy on you, on you, on you, on you
I could go crazy on you, on you, on you, on you
