

AFTERGLOW

C# F#
Here I am, lost in the light of the moon
C#
that comes through my window
F#
Bathed in blue, the walls of my memory divides
C# B F#
the thorns from the roses It's you and the roses
A# G# A# F#
C# B F# C#
Touch me and I will follow in your afterglow
B F# C#
Heal me from all this sorrow As I let you go
B F#
I will find my way when I see your eyes
C# G# A# F# C#
Now I'm living in your afterglow
C# F#
Here I am, lost in the ashes of time,
C#
but who owns tomorrow?

In between the longing to hold you again
