Perfect – Vanessa Amorosi

VERSE 1:

```
F#                  C#
Stay forever who you are
                 D#m
Don't change a thing
             B
Because you're perfect
```

You sway, gently in the breeze
In between my dreams
It kind of makes me nervous

Your storm, is lightning striking down
To only strike me once
Would still be worth it

CHORUS 1:

```
D#m   B            F#    C#
In my dreams, you were perfect.
D#m   B            F#    C#
When I woke up, you were perfect
```

VERSE 2: ***(F# C# D#m B)***

Love, as scarring as is it
Tell me is it real
If it ain't hurtin'

I break When sounding of you fades
My colours bleed to one
Nothing grows when your love is gone

CHORUS 2: ***(D#m B F# C#)***

In my dreams, you were perfect.
When I woke up, you were perfect
Even when you run, you're still worth it
Here and now, the moment's perfect

SOLO *(over chorus chords)*: ***(D#m B F# C#)***

D#m B F# C# x 4

VERSE 3: ***(F# C# D#m B)***

Regrets I don't have not one
I'd do it all again
For you I'd do anything

CHORUS 3: ***(D#m B F# C#)***

In my dreams, you were perfect.
When I woke up, you were perfect
Even when you run, you're still worth it
Here and now, the moment's perfect

OUTRO (Chords as for Chorus):

```
D#m              B              F#              C#
